

Residential

1	weberad cure WT	Curing concrete in hot weather
2	weberdry 110 FX	Waterproofing a retaining wall
3	weberdry 150 BLC	Sealing a water leak
4	weberanc 405 BFX	Anchoring reinforcement bars
5	weberdry 132 WB	waterproofing a façade
6	weberep 370 PF	Protecting steel reinforcement
7	weberdry 130 PR	Waterproofing a basement or an elevator pit
8	weberep 332 FR	Structural concrete repair with smooth finishing
9	weberep 360 FFR	Filling pinholes and hairline cracks
10	webertec 311 MC	Repair by grouting above 10 cm thick
11	weberep 331 TX	Concrete repair with exposed steel
12	webertec 301	Repair by grouting up to 10 cm thick

weberad cure WT

Curing compound for fresh concrete surfaces

1

20 kg

- High curing efficiency
- White at application
- Sprayable

weberdry 110 FX

Flexible high-performance cement-based waterproof coating

2

15 Kg

- Excellent crack accommodation
- Resists high hydrostatic positive and negative pressures
- Approved for contact with potable water

weberdry 150 BLC

Fast setting cementitious plugging mortar

3

1 or 5 or 20 Kg

- Stops water leaks instantly
- Fast setting plugging mortar
- High pressure resistant

weberanc 405 BFX

Pure epoxy anchoring resin in cartridge

4

400 ml

- High bond strength with High load resistance
- Used in dry and wet concrete
- F 120 fire resistant

weberdry 132 WB

Water based surface water repellent

5

5 or 25 Kg

- Easy to apply
- Stainless surface waterproofing
- Colorless

weberep 370 PF

Two-component cement based corrosion protection and bonding agent

6

4 Kg

- Highly corrosion inhibiting
- Improves adhesion of overcoating
- Impermeable to water

weberdry 130 PR

Cement based waterproof coating

7

32.5 kg

- Resistant to positive and negative water pressure
- Non toxic
- Approved for contact with potable water

weberep 332 FFR

Non shrink thixotropic fine repair mortar with fiber

8

25 Kg

- Non-shrinking
- Fine repairs
- Good resistance to sea water and to high-sulfate wate

weberep 360 FFR

Pre-mixed cementitious paste for fair face repair

9

20 Kg

- Smooth finish
- Applicable over large areas
- Available in white and light grey

webertec 311 MC

Non-shrink fluid micro concrete

10

39 kg

- Non-shrinking
- Very High strength
- Low water absorption

Renovation

webertec 301

Non shrink structural grout

12

25 Kg

- Non-shrink
- Durable
- High strength

weberep 331 TX

Non shrink thixotropic repair mortar with fiber

11

25 Kg

- Non-shrinking
- Thixotropic - good bond strength
- High strength

Technical

Parkings

Warehouses

Technical Rooms

weberep epo 400 RS

Three component epoxy resurfacing & sealing filler

12

1 and 4 Kg

- Easily applicable on large areas
- Used for local and general repairs
- Used on vertical and horizontal surfaces
- Needs no primer

webertec 311 MC-HCS

Non shrink high strength fluid micro-concrete

11

38 Kg

- Non-shrinking
- Very High strength
- Low water absorption

weberfloor epobat

High build solvent free heavy duty epoxy floor coating

1

19 l

- Hygienic, anti-bacterial & anti-fungus growth
- Impermeable
- Abrasion & slip resistant

webersys 2100 XPU

Waterproof, crack bridging polyurethane coating system for car parks

2

25 Kg

- Abrasion resistant
- UV resistant
- Waterproofing

weberep 332 FFR

Non shrink thixotropic fine repair mortar with fiber

3

25 Kg

- Non-shrinking
- Fine repairs
- Good resistance to sea water and to high-sulfate water

weberep 331 TX

Non shrink thixotropic repair mortar with fiber

4

25 kg

- Non-shrinking
- Thixotropic - good bond strength
- High strength

weberdry 110 FX

Flexible high-performance cement-based waterproof coating

5

15 Kg

- Excellent crack accommodation
- Resists high hydrostatic positive and negative pressures
- Approved for contact with potable water

weberep 360 FFR

Pre-mixed cementitious paste for fair face repair

6

20 Kg

- Smooth finish
- Applicable over large areas
- Available in white and light grey

weberad cure WT

Curing compound for fresh concrete surfaces

7

20 kg

- High curing efficiency
- White at application
- Sprayable

weberdry crystal

Crystallization cementitious waterproofing

8

25 Kg

- Removes moisture in concrete
- Withstands positive and negative water pressure
- Corrosion reduction of reinforcing steel in the concrete

webertec 302 HF

Highly fluid expansive bedding grout

9

25 Kg

- Expansive
- Non-shrink
- Pumpable

weberanc 435

High performance polyester styrene-free anchoring resin

10

300 ml

- Medium and Heavy-duty load applications
- Fast gelling and curing
- Good bond strength with high load resistance
