This product is supplied as rolled up sheet material.

10. STABILITY AND REACTIVITY

Stable.

11. TOXICOLOGICAL INFORMATION

No known toxic effects

MATERIAL SAFETY DATA SHEET

Biflex SL

EDITION: Aug. 2014

12. ECOLOGICAL INFORMATION

Not readily biodegradable.

13. DISPOSAL CONSIDERATIONS

Waste generated during application or demolition are not hazardous wastes as defined by RCRA. Comply with federal, state and local regulations.

14. TRANSPORT INFORMATION

Considered not dangerous goods for air, road and sea transportation. Avoid area of excessive heat

15. OTHER INFORMATION

Uses: No other information

This safety data sheet should be used in conjunction with the product's technical data sheet. It does not replace it. The information given is based on our knowledge of this product, at the time of publication. It is given in good faith. The attention of the user is drawn to the possible risks incurred by using the product for any other purpose other than that for which it was intended. This does not in any way excuse the user from knowing and applying all the regulations governing his activity. It is the sole responsibility of the user to take all precautions required in handling the product. The aim of the mandatory regulations mentioned is to help the user to fulfill his obligations regarding the use of hazardous products. This information is not exhaustive. This does not exonerate the user from ensuring that legal obligations, other than those mentioned, relating to the use and storage of the product, do not exist. This is solely his responsibility.
