

Admix fast C 200

ADMIXTURES & CONCRETE
RELATED PRODUCTS

CHLORINATED SETTING ACCELERATOR

PRODUCT

Admix fast C 200 is a setting and hardening accelerator and an anti-freezing compound. Mixed with concrete or mortar, Admix fast C 200 makes it possible to concrete even when a drop of temperature under 0°C is expected. Admix fast C 200 is compatible with all types of cement, except aluminates cement.

SCOPE OF USE

The main use of Admix fast C 200 is in prefabrication to speed up mould rotation. Admix fast C 200 is also used on site when fast setting and hardening in concrete is necessary, for example prior to cold weather conditions, or to speed up the construction process.

CHARACTERISTICS

Appearance	Uncolored liquid
Specific gravity	1.35 ± 0.01

APPLICABLE STANDARD

Applicable standard: ASTM C 494 Type C.

INSTRUCTIONS FOR USE

Do not use with under-proportioned concrete, because the lower amount of cement is, the slower the setting.

Avoid using Admix fast C 200 in concrete floors in which water pipes, and heating pipes or electric conduits are embedded.

Preliminary tests on the product are recommended before use of it on site.

DOSAGE RATES

From 0.5% to 3% of the cement mass. It is recommended not to exceed 0.8% whenever steel is used in concrete.

PRECAUTIONS

Admix fast C 200 may be used in mortar renderings or course mortars, but these renderings should never be applied on frozen backgrounds.

If the temperature has been very low for a few days, it is recommended to wait 4 to 5 days with positive temperatures before applying coatings.

PACKAGING

Admix fast C 200 is supplied in:
200 and 25 lit. drums

STORAGE

Admix fast C 200 can be stored up to 1 year from manufacturing date under cover, out of direct sunlight and protected from extreme temperatures.

HEALTH & SAFETY

In case of frost, the product recovers its properties after progressive thawing and homogenizing by agitation. In case of contact with skin or eyes, rinse thoroughly with water. If irritation persists, seek medical attention. If swallowed, do not induce vomiting and seek medical attention.

QUALITY STATEMENT

All our products are manufactured to comply with our internal QA/QC program and quality management system to ensure consistency and quality.
